Hi Marion,

This is a holdover from my IO days. It was passed on to me when Diane moved to AD, and I haven't really had anyone take it over.

The former! Anita can add them to the invitation, and we can send them out in a separate email.
Thanks much!

Also, I'm preparing for the RD 2021 Workplan discussion and would like more context from Debra on the RDRF box monitoring. What exactly is this? . . . an FR watch effort?

Good Morning Marion,

Based on what you just sent us, would you like Debra and I to ask Anita to add the slides to the meeting invitation and then Debra and I send the slides to the Division Directors. Or would you like us to ask Anita to do both?

Debra, Shanta - See Marietta's approval below to send the slides to the DDs as well! It may also be a good idea to have Anita add them to the invitation, too.

Thanks Marion. Please go ahead and send to the other DDs as well. I may have some suggested edits after our discussion today, but since we are short on time I would rather you get them out to DDs.

We will need to discuss a timeline for each division making edits before we send to OCSPP.

I am checking with Dana Vogel on trying to move the Alex meeting.

Marietta:

Per my earlier email from this afternoon at 2:52 p.m., I am forwarding the aldicarb slides prepared for the upcoming DD briefing as well as the AA briefing. We are prepared to send the slides forward to the other DDs and participants for tomorrow's meeting, so let me know if the RD/IO would prefer to glean through the slides prior to sending them to the broader Divisional participants. We also look forward to any additional comments that you may have.

Best regards,

Marion J.
